In 1996, Doris & Stanley Ravitz founded the Ravitz Family Foundation. With the help of their vision, inspiration, and generosity, the “mission” of this foundation became “to aid children and families in need.”

The Ravitz Family Foundation is a non-profit, 501(c)3, private foundation. Every day, we receive requests from local organizations for charitable donations. In the past, requests have varied from funding after school programs to summer field trips for needy children to aiding families who may not be able to provide sufficient shelter for themselves. Grants are issued by the Ravitz Family Foundation to the organizations and causes whose requests for financial support best meet the “mission” Doris and Stanley Ravitz created in 1996.

Currently, the Chairman of the Board of the Ravitz Family Foundation is Steve Ravitz. Under Steve’s direction, we have “spread our wings” and have been able to “touch the lives” of more people in the South Jersey area than ever before. In fact, during the last four years, we have been able to grant money to more than thirty local charitable organizations, religious groups, schools, and members of our community in need.

The Ravitz Family Foundation is committed to carrying on the mission which Doris & Stanley Ravitz created in 1996: “to aid children and families in need.”

All donations to the Ravitz Family Foundation are tax deductible to the extent allowed by law.

Thank you very much for your continued support!
