Dear Mr. Ravitz:

I would like to take this opportunity to formally thank you and the Ravitz Family Foundation for the generous grant of \$2,500.00 towards our Art Therapy Program. As stated in the proposal, this program benefits traumatized youth within our Specialty Services Program, of which there are up to 20 at any one time.

The Children's Home is dedicated to providing an environment that is most conducive to the successful treatment of the children and youth we serve. Our residents with the most complex needs benefit greatly from the Art Therapy Program which provides a unique treatment opportunity to help them learn to manage their diagnosis and work through their problems so they may return home as quickly as possible.

Your continued support of our programs and the youth we serve is truly appreciated and we are grateful for the opportunity to once again partner with the Ravitz Family Foundation to serve New Jersey's troubled youth. Your support of our mission to provide professional therapeutic and supportive services that help children and their families to become productive members of society is greatly appreciated.

As required, further documentation of the use of funds will be forthcoming upon exhaustion of the entire grant.

Thank you once again and Happy Holidays!

Sincerely yours,

Roy A. Leitstein
Executive Director
