Dear Mr. and Mrs. Ravitz:

Because of you, patients in southern New Jersey will receive expert end-of-life care, comfort, and compassion from Samaritan Hospice. Your generosity will provide direct patient care and counseling to our neighbors who are facing serious illness and grief – people who depend on Samaritan Hospice every day for our special care.

Your generous grant of **\$2,500.00**, dated 11/17/2009, was most considerate, and the patients, staff, Board of Directors, and volunteers of Samaritan appreciate your generosity. No goods or services were provided, in whole or in part, by Samaritan Hospice in consideration of this contribution.

As a not-for-profit organization, each gift is extremely important to Samaritan. Because of support such as yours, we are able to fulfill our mission of providing excellent care to our patients on life's final journey—regardless of someone's financial resources. Samaritan is proud to care for 400 patients and their families each day—caring for over 36,000 people in our 29 year history.

Samaritan provided over \$1 million of vital, yet unreimbursed services to our community last year, above and beyond our traditional hospice program. These programs include the:

- Samaritan Inpatient Hospice Center, located in Virtua Memorial Hospital, Mt. Holly
- Complementary Therapies Program, providing professional massage, pet and music therapies
- Samaritan Veterans' Hospice Services, serving the unique needs of veterans at end-of-life
- Samaritan Pediatric Palliative Care Program, developed in collaboration with Children's Hospital of Philadelphia (CHOP)
- Samaritan Center for Grief Support, offering grief counseling and 11 specialized support groups.

It is only through generous support such as yours that Samaritan can continue to meet the needs those facing illness and grief through expanded services and new programs. On behalf of all of our patients and families, thank you for supporting Samaritan Hospice.

Sincerely,

*Mary Ann Boccolini*
